++Pastor's Letter to the Congregation++

by Pastor Bettye Wolinski

Give thanks with a grateful heart
Give thanks to the Holy One
Give thanks because He's given Jesus Christ, His Son
And now let the weak say, "I am strong"
Let the poor say, "I am rich
Because of what the Lord has done for us."
Give thanks!

I awakened this morning with this song on my mind. As I was preparing to author the NET article for November, Thanksgiving was on my mind. This led me down the "rabbit hole" with the sign that said, "*Bettye, what are you really thankful for*?" The answers were never-ending. There are times, I must admit, that I have wondered what the Lord was thinking when I surveyed the emotional, physical, historical, community, social, and political landscape of today's world. I can get stuck at the closed end of this rabbit hole with nowhere to go, but I can look up in hope. I can remember the many ways I have seen God's hand at work clearing a path, comforting, guiding, ordering my steps and yours.

Over the past several months, we have been fretting over how to handle the needs of the Emergency Cold Weather Shelter this coming winter. After much prayer and a newly agreed-upon partnership with Ocean City Baptist, the Ocean City Crisis Team, and other area churches, we are planning to support the opening of the Emergency Shelter as usual when the cold weather is upon us. We do not own this ministry. We share in this ministry brought to us by others. Jason and Trisha Long from Ocean Baptist and Ocean City Crisis oversee this program, and we are *thankful* to be a part of the ministry they bring to us so that together we might serve our guests in need.

Our work begins with our thankfulness and with your support as well. God has blessed us in many ways, and now I come to you as your pastor and ask that you return the *IN-KIND* love that He has shown to you.
We need volunteers to help with the following activities:

- The purchasing of food supplies at BJ's for emergency food bags for our guests at the shelter to carry with them. A list will be posted in the immediate future on the website as well as in the bulletins. Funds are available to those offering to buy the items in large quantities.
- Donations of water, Gatorade, and coffee.
- Volunteers to prepare and donate a hot meal for an average of 8–10 guests when the shelter is open. Casseroles, soups, and crock-pot meals are a good idea.
- Warm clothes as needed as well: socks, undergarments, sweatpants, sweatshirts, all in extra-large sizes.
- Volunteers to register our guests when the shelter opens at 4:30 p.m.
- Volunteers to assist with laundry at the shelter.
- Volunteers to provide overnight support for the shelter.
- Volunteers to sort and label the items brought into the church for the shelter guests. Room 9 is the collection site.
- A commitment to attend a 1-1/2-hour volunteer meeting prior to the beginning of the cold-weather season.

I am thankful to our community helpers who will be part of this volunteer team. I am thankful for new friends who will be joining us in this shared ministry.

Finally, I give thanks to the person who has been responsible for creating our Monthly NET, Sharon Sorrentino. Sharon has been a faithful disciple in this and many other ways at St. Peter's. Replacing her is impossible, but creating a new space for her work is possible thanks to our new communication team. The website will now become a valuable tool for the sharing of information, not only with the church but also with the community at large.

Our Lord's hand has been upon us in so many ways; let us join in His work together in new ways.

God's blessings to all!

Pastor Betty

ALTAR GUILD

by Maryanne Siegert

The Altar Guild had a busy month in October. Reformation Sunday was October 25, when the paraments were changed to red for one week, as well as other events that required special setups.

The linens are washed each week with the exception of the altar cloth, which is usually washed and changed once a month (if we don't spill too much wine on it).

We do all of this with joy!

COMMUNITY SERVICES

by Mary Lou Tietz

The Community Services Committee met in October to discuss our timeline for collecting food and gifts for our holiday programs, and to discuss setting up a subcommittee that will help support our Winter Weather Shelter. The Shelter is open to homeless individuals during extreme cold temperatures during the winter, which is a lifesaving ministry St. Peter's is able to provide through our Retreat Center. The subcommittee will disseminate information to the congregation about shelter needs that arise—i.e. , the need for warm clothing, providing meals, etc. The shelter is open annually from December through March, with the heaviest usage from December through February.

For the holidays this year, the Committee will be supporting 6 families with children and 2 adult couples who are in need of our help, providing them with food, other emergency needs, and gifts to give, especially for the children, over the Christmas holidays. We will be setting up an Angel Tree in the Narthex, where stars will be available for members to pick up so that they can fulfill gift wishes for the children, in addition to gift cards. We will also provide a full Thanksgiving dinner for all of the families; items that can be provided by members and collection dates will be available in the bulletin, as well as signage posted in the Narthex. The Committee has always been blessed through your generosity with a bounty of gifts and food that make those we support so grateful and happy over the holidays. We thank you for that. During the year, our committee continues to stay in touch with and support these families, so that we are making a difference in their lives throughout the year.

As always, we continue to feed the hungry every Wednesday, providing lunch and distributing food bags. Recently, we had a peanut butter challenge as we were very low on peanut butter when the Food Bank was experiencing a shortage. So, we presented a challenge to the congregation, and you met the moment and helped pack our food pantry with a plethora of peanut butter! To make the challenge more fun, we offered a prize for our winners, who will be announced soon. As all parents and grandparents know, when you need to stretch the budget while providing a much-loved staple, especially for children, there is nothing better than Peanut Butter!

As always, the Community Services Committee is grateful for your support of our outreach to those in need. We invite you to join us at our meetings, which take place on the second Wednesday of each month at 2 p.m. at the church.

Tietz, Chairperson

SENIOR ADULT MINITSTRY(S.A.M.)

by Susanne Howard

As we draw near the end of 2026, we look back at all the enjoyable trips that the S.A.M. ministry has enjoyed.
March – Clear Space Theatre, 42nd Street, Cottage Café.
May - Milton Theater, Nunsense II, Irish Eyes Restaurant.
May - Delaware Technical Community College, Treasures of the Sea, Fins Restaurant.
September - Naval Academy Tour & lunch.

And to end the year:

Clear Space Theatre - "A Christmas Story"
On Thursday, December 3, 2026, we will be traveling to the Clear Space Theatre in Rehoboth Beach to see the 11:00 a.m. show, "A Christmas Story." Unwrap a holiday classic: Ralphie has one Christmas wish: a Red Ryder BB gun. But with a dreaded double-dog dare, a

bunny suit, a Cracker Jack prize, and a very grumpy Santa, will he make it until December 25? Our lunch at the Boardwalk Plaza (Victoria's Restaurant) is sure to be delicious as always. A sign-up sheet and luncheon choices are posted on the Senior Adult Ministry board (S.A.M.). The cost of the trip is $70.00 per person. Please make checks out to St. Peter's Lutheran Church, and in the memo line, write S.A.M. trip 12/3/2026. You can place your check and menu choice in the collection plate on Sunday. Please print your name and phone number on your menu choice.
All members and friends of St. Peter's are warmly invited to attend our meetings and are encouraged to bring ideas and information about trips and outings that would bring knowledge, laughter, and fellowship. Check the S.A.M. bulletin board in the Narthex for a list of meetings at 1:00 p.m. in Room 5 for 2027. Everyone is welcome to join and participate in planning future activities.
God's Blessings,
Susanne Howard

SON AND SAND

by Paul Grahe

In October, the group from Marymount University had to cancel due to a change in leadership. In November, we welcome the group from Carlisle 1st Church of God from 11/22-11/24 who will be leading the Middle School Conference to be held in the CLC that weekend.

WITNESS

by Evelyn Houston

Thanksgiving is more than words spoken around a table. It can shape the way we treat others. A grateful heart is more likely to share, forgive, encourage, and notice people who feel overlooked. When we recognize that our blessings are gifts, we become more willing to use them in service.

This is one of the beautiful outcomes of gratitude: it turns appreciation into generosity. A meal can become an invitation. A kind word can become comfort. Time, attention, and resources can become ways of reflecting God's love.

When we begin to doubt and forget to be thankful and grateful, I am reminded of the sacrifices so many have made to preserve our freedoms and to defend peace around the world. Today, the brave men and women of our military continue this noble tradition. These heroes and their loved ones deserve the gratitude of our nation, especially in these troubled times. We thank God for their service.

Thanksgiving is more than a moment to count our blessings. For people of faith, it is also an opportunity to remember the One who gives them —
And to trust Him in every season.

++ST. PETER'S NEWS++

A MESSAGE FROM THE COUNCIL PRESIDENT

by David Marzola

God's Peace and Blessings to the Congregation of St. Peter's Lutheran Church
A lot of great things are happening at St. Peter's Lutheran Church. I hope everyone appreciates the work of our Church Council as we continue to move forward in spreading the word of God within the confines of St. Peter's Lutheran Church and out into the Community. As you may or may not be aware, this is our last NET publication. This is a good change. With so many things happening at the church, some folks may get discouraged by change. Please do not get discouraged; be positive and accept change that is good for the church and our future growth.
In October, Pastor Bettye was voted by you, the Congregation, to be our permanent Pastor. This was some of the best news we could have received. With a new permanent Pastor, comes change. Many of you have faced changes in the past. Some positive and some negative. Our goal as a Church Council and Congregation is to work with Pastor Bettye to improve communication, develop community partnerships, work with other churches in the community, and continue to meet the Mission and Vision of St. Peter's Lutheran Church.

We had a great meeting with the Emergency Cold Weather Shelter team of Trish and Jason Long. I am happy to report that we will be partnering with the Emergency Cold Weather Shelter Coalition team to open our Retreat Center beginning on December 1, 2026, through March 31, 2026. The parameters are still the same: doors will open when the wind chill temperature is scheduled to be 25 degrees or below. This is a great ministry that our group performs. If you would like to volunteer to assist with the shelter, please let us know. Training dates are scheduled in November 2026 for the volunteers.

Here are a couple of items the Council has approved:

1. We have purchased a new AED for the church. We could no longer purchase replacement items for our current first-generation AED. The Council approved the purchase to ensure we have the best equipment available to the congregation during a medical emergency.
2. Work to be completed to reduce the humidity levels within the Sanctuary and Narthex. This work includes the installation of two dehumidifiers on our system.
3. Work to be completed on our parking lot to seal the cracks in the parking lot. This was recommended to us by our insurance company.
4. The church will support Vicar Keith Hall with any coursework he may need for his candidacy to become a Lutheran Pastor.

With 2026 coming to a close, I want to say thank you to our Church Council Secretary, Susanne Howard. Susanne has served two terms (six years) on Council, and she was an active voice for the church. Susanne will still oversee the Senior Adult Ministry Team and has exciting events planned for 2027. Thank you, Susanne!

Just a reminder to all: Our Congregation Annual Meeting will be held on Sunday, December 13, 2026. We will hold one (1) Blended Service with the annual meeting being held right after the service. Lunch will be provided by our Fellowship Team.

I want to thank everyone for your support. We cannot survive without the input of every member. I want to wish everyone a Happy Thanksgiving and a very Merry Christmas. Be safe during the holiday season. Spend time with your family and your loved ones. Remember, each day on this earth is a blessing. See you at St. Peter's! God's Peace to All!

Sincerely,
David Marzola

OUR CURRENT REALITY AT ST. PETER'S

Life at St. Peter's

Our worship schedule offers a Contemporary Worship Service at 9:00 a.m. and a Traditional Worship Service at 10:30 a.m. each Sunday. We are offering Holy Communion at both services, handing you the bread and pouring red wine into your cup. We also have gluten-free wafers and pre-filled cups of white grape juice for those who request/require them. Those who are not comfortable sharing in Holy Communion in this fashion are still in full Communion through the words of promise.

You are encouraged to share the "Peace of God" in whatever way you feel comfortable.

Both Services are in the Sanctuary with coffee and refrest the Greeter's Desk.

Hand sanitizer – available throughout the building.

We are looking for someone who would be willing to help with live streaming.

Please contact the church office if you have any questions

OTHER GATHERINGS, EVENTS, AND GROUPS

The church building is open for in-house meetings and choir practices.

St. Peter's Council meetings are being held in person.

Ministry Teams are meeting in whatever way they are most comfortable; either in person or via Zoom.

The building is open for outside groups. Those meetings/gatherings must make reservations coordinated through the church office.

Church office hours are Monday-Thursday 9 a.m.- 3 p.m. and Fridays 9 a.m.-1 p.m. Please contact Amy via phone, text, or email **during these hours**.

We will continue to stay connected and keep you updated with concerns and changes via the Constant Contact email system, the Call Multiplier automated prayer chain, and by mail for those who are not electronically connected.

We thank you for your continued support and partnership in the mission and ministries at St. Peter's.

ALTAR FLOWERS & COMMUNION ELEMENTS

If you would like to sponsor flowers for a Sunday morning worship service in Memory or in Honor of a loved one, you may do so by calling the church office to make those arrangements. The cost for both vases is $95.

You may also sponsor Communion Elements for a particular Sunday in the same manner. The donation for sponsoring elements is $20. Please contact the church office if you hav

AV SYSTEM UPDATE

by Connie Corbett

AV System Update: Preparing for Live Streaming and Growing Our Team

As we settle into a routine with our new audio-visual (AV) system, we continue to fine-tune our operations and establish procedures to support our weekly worship services. Our current priorities include documenting system operations and training additional volunteers to ensure reliable, consistent support for both our contemporary and traditional services.

We're also working toward **resuming live streaming of our worship services**, allowing those who are traveling, homebound, or otherwise unable to attend in person to participate remotely. Our tentative goal is to resume live streaming in late December or early January, depending on our progress with these preparations. We'll share additional updates as plans are finalized.

We're grateful to **Corey Rimel and Veronica Bona** for the time and dedication they contribute each Sunday. Now, we're looking to expand our **small but mighty AV team!** If you'd like to play a behind-the-scenes role in supporting Sunday worship, we'd love to have you join us. No previous experience is necessary. We'll provide training, step-by-step instructions, and ongoing support to help you learn the system and become comfortable with your responsibilities.

And don't worry—joining the team doesn't mean committing to every Sunday! We anticipate establishing a rotating volunteer schedule, with most volunteers serving approximately once a month. This will allow us to share responsibilities, provide reliable coverage, and give everyone greater flexibility.

Interested in joining the AV team? Contact Connie Corbett at cbcorbett42@gmail.com to learn more or volunteer. It's a great opportunity to contribute to Sunday worship, learn something new, and support our church family—all without a weekly commitment

MINISTRY OF THE MONTH

November's Ministry of the Month is "Cold Weather Shelter."

We, along with other area churches, send funds to support this community ministry, which offers financial assistance for folks in our community who find themselves in a crisis situation. By combining our funds with those of other churches and dispensing them through the OC Crisis ministry, we are able to offer more support than any individual

church may be able to. Distributing funds through the OC Crisis also helps us to be good stewards of these resources through record-keeping and tracking. We ask you to prayerfully consider giving a special donation this month to help support this ministry. If you feel called to do so, please make your check out to St. Peter's and put OC Crisis Ministry in the memo. Thank you for your support!

PRAYER CHAIN AND PRAYER LIST

I do not cease to give thanks for you as I remember you in my prayers. Ephesians 1:16

The **"Call Multiplier"** automated prayer chain continues to be a valuable resource and blessing. If you, or someone you know, is in need of prayer, please text or call **Pastor Bettye at 410-292-2360** to have a prayer request sent out. If you are requesting prayer for someone else, you **MUST** have his/her permission before sending out the request. We can share as much, or as little, information as you want to be shared. When you receive a prayer call, you are asked to pause and offer prayer for the need presented. You are then asked to continue to hold that person/need in prayer. The Automated Prayer Chain will be active daily from 8 a.m. to 8 p.m. Please let Pastor Bettye know if you are not receiving the prayer calls and would like to be.

St. Peter's prayer list: In order to keep our prayer list up to date, names that are on the prayer list (that are published in the

newsletter and bulletins) will remain on the list for **one** month. If after that month there is still a need for that person to be held in prayer, you will need to let the church office know so we can put the name back on for another month. While we want to be praying for everyone who needs our prayers, we also have to be able to keep that list current and up to date. Please contact the office if you have any questions.

PRAYER CONCERNS

Permission is needed to use your full name when publishing your request for prayers in both the bulletin and newsletter. Call the office.

Staying Connected and Moving Forward Together!

As we look to the future, St. Peter's is building on our existing communications efforts to keep our church family informed and connected in ways that are timely, effective, and efficient. While our monthly printed newsletter has served us well, we recognize the opportunity to share news, events, and important updates as they happen, using the communication channels that best reach our congregation and community. **With that in mind, November 2026 will mark the final edition of our monthly newsletter, The Net.**

We extend our heartfelt thanks to Sharon Sorrentino and Amy Morgan for the organization, creativity, and talent they have contributed to producing The Net. Their dedication has played an important role in keeping our congregation informed and connected, and we are truly grateful for their "behind-the-scenes" efforts.

While the way we communicate may be evolving, **our commitment to keeping everyone informed, engaged, and connected remains the same!** From worship and fellowship to ministry opportunities and community events, there are many ways to stay informed and engaged with all that's happening at St. Peter's. We encourage everyone to take advantage of these resources:

The newsletter may be coming to an end, but the stories, connections, and spirit of St. Peter's will continue to grow! By embracing these communication channels, we can share more of what's happening in our church, celebrate the many ways God is working through our ministries, and create even more opportunities to connect with one another.

We always welcome your ideas and suggestions as we continue to strengthen our communications. Please feel free to share your thoughts with Connie Corbett (cbcorbett42@gmail.com).
